

# Sharing Wisdom Gained Through Living our Lives

Mishkan Shalom and P'nai Or Philadelphia invite you to join a 3 part class

## CREATING ETHICAL WILLS/ TZAVA'OT

Facilitated by Rabbi Tsurah August, Hospice and End-of Life Chaplain

*Let future generations know what you value - and why!*

This practice follows a rich Jewish tradition evolved over centuries, to help us reflect upon and pass down the wealth of wisdom and enduring values we have developed over our lifetimes.

Unlike traditional "memoires", *Tzava'ot* focus on our values, beliefs, and life lessons, presented via personal stories, hopes, dreams, feelings, etc. woven together to help our values live on. Many formats are possible – writing, video, music, art....
